## Celebrating National Non-Fiction November

Help your favourite organisation working with children to win over £1000 worth of brilliant non-fiction books for children and young people

To celebrate National Non-Fiction November 2016 The Federation of Children's Book Groups has drawn up a list of 100 of the most exciting, intriguing, eye-opening non-fiction books for children and young people of all ages, books to delight, inspire and make you gasp (or even giggle) in wonder.

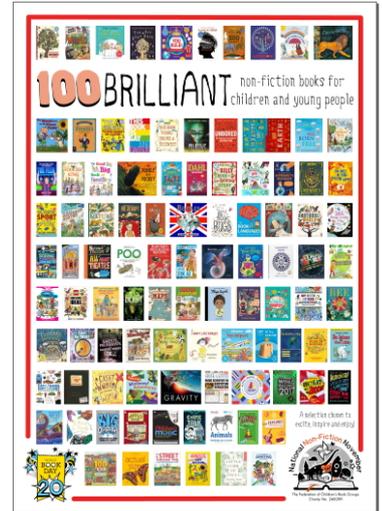

With the support of a wide range of non-fiction publishers, The FCBG has teamed up with World Book Day for a spectacular giveaway - the sort that will instantly create an incredible library packed with true adventures through time and space, bursting at the seams with titles to feed curiosity, amazement and delight in the real world.

Prize A: 1 set of all 100 books featured in the booklist, '100 Brilliant Non-Fiction Books for Children and Young People'

Prize B: 1 set of 33 books aimed primarily at 0-7 year olds, all featured in the booklist

Prize C: 1 set of 34 books aimed primarily at 5 - 11 year olds, all featured in the booklist

Prize D: 1 set of 33 books aimed primarily at 9+ year olds, all featured in the booklist

Groups, schools, libraries and other institutions are eligible for the 100 book giveaway (Prize A). Members of the public are being encouraged to nominate the groups/school/library they work in, or know about (for example - though not restricted to - schools with dedicated school librarians, extra curricular clubs, education teams in hospitals, charities and other non-governmental organisations), who they believe would relish a brand new set of incredible non-fiction books.

The giveaways for prizes B,C and D are open to individuals.

### Notes for editors

National Non-Fiction November is the Federation of Children's Book Groups' annual celebration of all things factual. Born out of National Non-Fiction Day, the brain child of Adam Lancaster during his years as Chair, the whole month now celebrates all those readers that have a passion for information and facts and attempts to raise awareness and appreciation of non-fiction books for children and young people. Extensive resources for exploring and celebrating non-fiction books can be found at <http://www.fcbg.org.uk/national-non-fiction-november-2016/>. #NNFN

The Federation of Children's Book Groups was set up as a charity by Anne Wood, the originator of The Teletubbies. It acts as an umbrella organisation for local Children's Book Groups all over the UK. The groups organise a variety of activities including author events and other activities that promote the enjoyment of children's books. The Federation co-ordinates The Children's Book Award (now in its 35th year) and also produces numerous specialist book lists, organises National Share-a-Story Month each May, and holds an annual conference each spring. <http://www.fcbg.org.uk/>. @Fcbgnews

World Book Day is a celebration of authors, illustrators, books and (most importantly) of encouraging a love of reading for pleasure. In fact, it's the biggest celebration of its kind, designated by UNESCO as a worldwide celebration of books and reading, and marked in over 100 countries all over the world. On 2nd March 2017 children and young people of all ages will come together across the UK and Ireland to celebrate 20 amazing years of the campaign. World Book Day is a registered charity, no. 1079257. [www.worldbookday.com/](http://www.worldbookday.com/) @WorldBookDayUK
