

Competition Rules

Our main competition for 2024 is for children to create a potion! This potion could be created with a mixture of magic, imagination and fun ingredients.

Inspired by George's Marvellous Medicine by Roald Dahl and Pizza Pete and the Perilous Potions by Carrie Sellon, we hope that children from 5-13 will have fun creating something with epic results.

Children in the following age categories can enter for their chance to win a prize!

5-7

8-10

11-13

Entries must be labelled clearly and details on the form be filled in.

Entries can be sent to **NSSM, 54 Alexandra Road, Ipswich, IP4 2RN** or scanned in and sent to **nssm@fcbg.org.uk**.

All entries must be received by 7 June.

We are delighted that author Carrie Sellon will act as our guest judge for this competition.

Competition Instructions

All children aged 5-13 are eligible to take part in this competition.

We ask that children choose a style beaker. Using colours and details, they should show the different ingredients and amounts. Labelling each ingredient would be ideal so judges can see what is being chosen, even if the ingredients are make believe.

The back side of the form can be completed by the child or a family member to explain what funny effects happen once the potion is consumed.

We urge children to have fun with this and prizes will be awarded in each of the following age ranges.
